ILY ZBOROVSKY

Hon. Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Sir:

This application became abandoned because the response to the Office Action was not received.

It is respectfully submitted that the Amendment was filed on September 22, 2001 responsive to the Office Action of June 22, 2001, with a postcard. However, no postcard was received by the applicant from the U.S. PTO. It is quite possible that the Amendment was misplaced because of the events of September 11, 2001.

It is respectfully requested to revive the application based on unavoidable delay. If however the USPTO is not willing to consider the delay unavoidable, it is respectfully requested to revive the application based on unintentional delay (while of course the first reason is preferably).

If the fee is missing or insufficient, it is respectfully requested to charge it to the account of the undersigned 26-0085.

Respectfully submitted,

  
Ilya Zborovskiy  
Agent for Applicant
